2026

About the Training

YvesPro Consult a leading Procurement and Supply chain consulting firm presents the 2026 Corporate Training Calendar designed to strengthen procurement and supply chain capacity across Malawi and the SADC region.

Each two-day training delivers practical, high-level skills to help organizations improve compliance, efficiency, and sustainability in line with global standard

YvesPro Consult is a corporate member of the Malawi Institute of Procurement and Supply (MIPS), registered with the Public Procurement and Disposal of Assets Authority (PPDA), and certified Procurement Auditors by the Institute of Internal Auditors Malawi.

Our training programs are built on real-world experience, professional credibility, and a strong commitment to excellence in procurement and supply chain management.
